wavering emerald stars. Then, hissing softly, an asp starts to glide back into the shadow. Now it is all clear. i stretch forth my hand to the reptile.

"Stop!" I cry. "It is for both!" Again the sharp pain in my thumb shoots up my arm like fire.

Some one was bathing my face and calling my name tenderly. I opened my eyes. It was Ina-my Ina-with the little hunting cup in her hand.

"Oh, I have been so frightened!" she exclaimed, and looked at me beseechingly. I did not find the spring right away, and when I came back just now with the water you were unconscious and talking strangely. Oh, I hope that needle. My arm was becoming numb horrid beetle bite has not poisoned

"On the contrary," I smiled, "the pain has almost entirely gone, and I would endure far greater suffering for I remember handing her the little this. I have waited for it so long."

By and by we walked back toward the museum together. She did not remind me of my promise, tut our steps bent in that direction. We entered and passed into the Egyptian room. Her hand lay tenderly upon my arm.

"She for whom the obelisk was built lies here," said Ina.

We approached one of the glass in-Beyond them the cobalt sky of Egypt. closures, wherein lay a richly decorated cartonnage and the embalmed remains of a woman. Together we passed around to the end of the case. Then I barely refrained from crying out. On a little black placard was painted in white letters the name, "Ino-firte." Ina looked up at me inquiringly.

"You must have heard the story," she said. "It is the name you speke up

"Yes," I answered, "It comes back to on the other sides the inscriptions burden. It but makes our parting me now, but it was all so long ago I
